

Subject: DISABLED parking placard or disabled license plate use on campus

Howdy,

We would like to remind the campus community that by law, a disabled placard or disabled license plate is only valid when being used by the person with the disability, or a driver who is actively transporting a person with the disability. Violators are subject to citation and fine ranging from \$400-\$1,000.

Please be courteous to the members of our community who rely on these designated spaces to conduct their daily business on campus.
